FRESNO DEPUTY SHERIFF'S ASSOCIATION

Brian Pacheco

October 29, 2013

I am pleased to announce the Fresno Deputy Sheriff's Association has voted unanimously to support you in your campaign seeking the District 1 Board of Supervisor seat in Fresno County.

Brian, we feel the principles you stand for are what is needed for Fresno County to stabilize and start a rebuilding process based on a common sense and business style approach. Your principles in regards to public safety, agriculture and business, are consistent with what we as the Fresno Deputy Sheriff's Association believes is important for this County. FDSA believes you will carry out what is right for the people of district one, along with what is best for all in Fresno County.

The issues facing Fresno County are not easy - - and everyone has their hand out for the mighty dollar. We believe you will stand by your word when it comes to law enforcement and how important it is to keeping the citizens of Fresno County safe and secure in their homes and communities. Finding the best people to be a deputy sheriff plays a big part in this. As a Board of Supervisor you have a strong voice in helping to maintain the high level of law enforcement professional the people of Fresno County expect to be employed. The interest of the FDSA relates directly to public safety as one core service, however, without commerce/business/agriculture supporting it, we would be crippled.

Please know you always have a friend with the Fresno Deputy Sheriff's Association. We look forward to a great working relationship with you as a Board of Supervisor.

Please accept the endorsement of the Fresno Deputy Sheriff's Association. We look forward to an on-going cohesive working relationship with you in Fresno County.

Sincerely,

Eric Schmidt
